---	---------

Kela will reimburse part of the occupational health care costs on the basis of a reimbursement claim. Reimbursement for preventive occupational health care (Category I) is 60 % and for medical services (Class II) 50 % of the approved costs. More information (in Finnish) at <https://www.kela.fi/tyonantajat-korvattava-tyoterveyshuolto>.

TT Botnia Oy reserves the right to add or stop services and to revise prices or services in the event of changes in health care regulations, official decisions or research practices or substantial changes in occupational health costs.

VAT is not paid on the sales of occupational health services which are regarded as health and medical services under the VAT Act. In so far as, in addition to health services, taxable services or products are sold, VAT is added to the prices. TT Botnia has the right to collect the VAT from the purchaser, in accordance with the applicable tax rate and the tax authorities' instructions, even retrospectively if so considered.
